Dear Mr Puccio and Mr McDonald

Thank you for your letter dated 27 May 2015 further regarding groundwater contamination and water usage related to the Alcoa Wagerup Refinery operations.

I am pleased to be advised by the Honourable Mia Davies MLA Minister for Water that the Department of Water has been working collaboratively with you and a number of other government agencies over the last 12 months to address your concerns.

I understand that the Department of Water has discussed the scope of your queries and that you will be meeting with them prior to finalising the response to your queries by the end of July. Should you wish to speak to the Department of Water in the meantime, please contact Mr Adrian Parker, A/Regional Manager, Kwinana Peel on 9550 4201.

Thank you for your ongoing commitment to our state's precious natural resources.

Yours sincerely
