Dear Messrs Puccio and McDonald

Thank you for your letter dated 15 April 2015 regarding Alcoa's Wagerup Alumina Refinery, with a further request for a meeting. As I advised in my letter dated 31 March 2015, I am unavailable to meet with you in regard to this matter.

I encourage you to continue participating in regulatory consultation opportunities with the Department of Environment Regulation (DER), in relation to the licensing of Alcoa's Wagerup Alumina Refinery under Part V of the *Environmental Protection Act 1986*.

In relation to comments about waiting for DER to respond to your draft Fact Sheet submission, I have been advised that the Department will respond to you in the near future.

Yours sincerely

Albert Jacob MLA
